IHG Survey finds many Holiday Travelers are Seeking a Vacation, Post-Vacation

The poll of 2,000 U.S. holiday travelers, conducted by IHG in collaboration with OnePoll, showed that 71% of travelers said they'd need a separate vacation after spending time with their family - to unwind and fully relax. Respondents were eager to take a nap in a cozy, spacious bed (60%), soak in a jacuzzi (46%) or book a calming spa day (42%).
